Smartway Advisors Drives Donations for US Marine Corp's Toys for Tots as part of its Sponsorship of Nelson, Terry & Stacey Christmas Show featuring American Idol Superstars Kris Allen and Lee DeWyze

Visit Smartway Advisors Dec. 10 noon to 2 to win tickets and drop off a toy

PORTLAND, OR...Hundreds of local music lovers will be "rockin around the Christmas tree" on December 13 at the Abernethy Center at the Nelson, Terry & Stacey Christmas Show. Sponsored in part by Smartway Advisors, the show will feature American Idol superstars Kris Allen, Lee DeWyze and more.

"We felt like this was a perfect partnership," said Dave Daniels, General Manager of Smartway Advisors. "Even Santa needs a reliable ride to deliver toys and joy all over the world, and our customers are the same way...they need reliable, affordable transportation to do their jobs.

Our vision is 'Helping Good People Succeed,' and an affordable car payment in a reliable vehicle is a huge part of fulfilling this commitment. We help people with damaged or bruised credit and those who have yet to build credit. We eliminate crushing finance interest rates and high payments by basing our qualifications on criteria other than the credit score."

Smartway Advisors will host 105.1 The Buzz onsite (6700 NE 79th Court; Portland, OR 97218) on Friday, December 10 from noon to 2 for ticket giveaways and toy collection for the U.S. Marine Corp Toys for Tots Toy drive.

Visitors can enter to win tickets to The Nelson, Terry & Stacey Christmas Show and drop off new, unwrapped toys for Toys for Tots. Two Marines and a military humvee will be on site to help load up the toys.

"I have always had a heart for the Toys for Tots program. My son is a former Air Force Captain who is now in the reserves, and we truly appreciate the sacrifices that our armed forces and their families endure and the community service work they do," Daniels said.

In addition to serving as an official drop site, Smartway Advisors will donate \$500 worth of toys to the Toys for Tots program.

Smartway Advisors has helped hundreds of people start fresh after devastating credit challenges and bankruptcies, and, additionally, has helped clients start on the road to good credit by giving them a first chance at credit *and* a car.
